

**LOVETATORS** are known to be born every 125 years during a solstice. During a lovetators life they live for one purpose: to spread love across the whole nation. In 1982 a new lovetator appeared in our community, he calls himself [the man]. Now he wants to build his own nation, but he will need love warriors to strengthen it. The way he spreads his gospel is through this message, a lifetime of knowledge can be obtained from his 40 rules of life. So, pay close attention to his words and never underestimate them.

This is how the love warriors’ life would look like, according to the 40 rules of life set by [the man]
